Participation of scientists/research scholars in various meeting/seminars/symposia

19. Participation of scientists/research scholars in various meetings/seminars/ symposia

Participants	Conference/seminar/meeting	Title of the papers/talks
Dr. S.K. Bhattacharya	Meeting to review the situation arising out of reported increase in cases of cholera in Delhi held at Nirman Bhavan, New Delhi on 26 th July 2004	
	Future needs and Directions of Shigella Vaccines Meeting as a WHO Temporary Adviser, World Health Organization, Geneva, Switzerland during 12-15 th September 2004	
	Meeting for the construction of diarrhoeal research and control center at NICED under JICA Grant-in-Aid project during 21-29 th October 2004	
	40 th Anniversary Meeting of the US-Japan Cooperative Medical Science Program (USJCMSP) at Japan during 7-10 th December 2004	
	29 th meeting of the Research Council of Indian Institute of Chemical Biology during 19-20 th January 2005	
	Workshop on National Vector Borne Disease Control Programme at Delhi on 16 th March 2005	
	Seminar at the Institute of Health & Family Welfare, Kolkata on 18 th March 2005	How to obtain research grant from funding agencies.

Participants	Conference/seminar/meeting	Title of the papers/talks
Dr. S. Chakrabarti	NIH grantsmanship workshop at HIH, Bethesda, USA during 18-19 th June 2004	
	AIDS Vaccine Conference 2004 at Lousanne, Switzerland during 30 th August to 11 th September 2004	
	Ranbaxy Science Foundation round table conference on HIV and Tuberculosis: co-infections at New Delhi on 8 th January 2005	Emerging recombinants of HIV-1
	International seminar on Role of Biotechnology in the modern industrial scenario at Haldia Institute of Technology, Haldia, WB during 21-22 nd January 2005	HIV/AIDS - Indian scenario
	Annual Conference of Indian Association of Medical Microbiologists at Kolkata on 13 th March 2005	HIV/AIDS vaccine
Dr. P. Dutta	PEDICON 2005 at Science City, Kolkata during 5-7 th January 2005	
	Lancet-NICED-IPHA (WB) workshop on 'Medical paper writing for publication' on 21 st February 2005 at NICED, Kolkata	
Dr. T.N. Naik	Fortieth Anniversary of US-Japan Cooperative Medical Science Program at Kyoto, Japan during 7-10 th December 2004	Poster presented on naturally occurring point mutation in VP6 gene of human Group A rotaviruses reveals non-reactive nature of viruses by enzyme immunoassay.
Dr. P. Das	Meeting of West Bengal State Council of Biotechnology on 30 th June 2004.	Recent biotechnological approaches in Medical Sciences

Participants	Conference/seminar/meeting	Title of the papers/talks
	Pathogenesis of Amoebiasis from Genomics to Disease” held at Ein Gedi, Israel during 16-20 th Nov. 2004.	i) Survival strategies of <i>Entamoeba histolytica</i> in high oxygen environment ii) Differential gene expression during human collagen and <i>E. histolytica</i> interaction
	Global Meet on Parasitic Diseases, Bangalore University during 4-8 December 2004 biological study ii) Role of	i) Survival of <i>Entamoeba histolytica</i> in high oxygen environment: a molecular electron dense granules with pathogenicity of <i>E. histolytica</i>
	40 th Anniversary meeting of US-Japan Cooperation Medical Science Program” to be held at Kyoto, Japan during 7-19 th December 2004	Studies on Fibrillar and small nuclear RNA Intearction During Post Transcriptional Modification of rRNA in <i>Giardia lamblia</i>
Dr. M.K. Chakrabarti	92 nd Session of Indian Science Congress held at Nirma Institute of Technology, Ahmedabad during 3-7 th January 2005 <i>cholerae</i> . Section of Medical	Mechanism of action of heat stable enterotoxin secreted by nonO1 nonO139 <i>Vibrio</i> Science including Physiology.
Dr. S.K. Niyogi	State level interactive meeting to discuss on UNICEF supported JPOA for arsenic mitigation and comprehensive water quality surveillance held at Hotel Hyatt Regency at Salt Lake, Kolkata on 21 st June 2004	
	ICMR/JHU sponsored workshop on Laboratory (Bacteriological) Methods for Haemophilus Influenzae type b held at Christian Medical College, Vellore, India during 1-4 th November 2004	

Participants	Conference/seminar/meeting	Title of the papers/talks
	Project Review Committee Meeting on Diarrhoeal Diseases held at ICMR headquarter on 7 th December 2004	
	Hib vaccine probe study meeting held at NICED, Calcutta during 12-14 th January 2005	
Dr. D. Sur	Investigator's workshop for Measles aerosol vaccine, organized by WHO at Chiang Mai, Thailand during 2-4 th August 2004	
	Workshop for strengthening laboratories for drinking water quality surveillance at New Delhi during 23-24 th September 2004	

Inaugural Session of Training Programme for German Doctors.

Participants	Conference/seminar/meeting	Title of the papers/talks
	DOMI meeting on evaluating the DOMI model and defining a global agenda for accelerated development and introduction of vaccines against cholera, typhoid and shigellosis, held at Hanoi, Vietnam during 12-13 th January 2005	
	49 th All India Conference of Indian Public Health Association at Lucknow during 11-13 th February 2005	Presented paper entitled 'Periodic deworming with albendazole and its impact on diarrheal incidence among children in an urban slum of Kolkata'
	Lancet-NICED-IPHA (WB) workshop on 'Medical paper writing for publication' at NICED, Kolkata on 21 st February 2005	
	Rota 044 Investigator's meeting at Chennai on 23 rd February 2005	
Dr. D. Ganguly	Training of E.S.I. Service doctors and other staffs on HIV/AIDS in several groups in August 2004 and February 2005.	
	Meeting on "Measles Aerosol Vaccine Trial" in Bangkok as a WHO Temporary Advisor in August 2004	
	Workshop organized by Indian Medical Association, Raigunj, West Bengal on 11 th December 2004	Leprosy
	As resource person on leprosy for Medical Microbiology PG Students in March 2005	

Participants	Conference/seminar/meeting	Title of the papers/talks
Dr. T. Ramamurthy	3 rd National Conference of Indian Association of Applied Microbiologist (IAAM) at Adhiparasakthi College of Science on 6 th January 2005	Recent developments in molecular epidemiology of cholera
	Workshop on “Prevention and Control of Water and Vector-borne Diseases” Organized by the Municipal Corporation of Delhi at Delhi on 24 th February 2005.	Laboratory aspect in prevention of Cholera and GE
Dr. S. Dutta	State level interactive meeting to discuss on UNICEF supported JPOA for arsenic mitigation and comprehensive water quality surveillance held at Hyatt Regency at Salt Lake on 21 st June 2004	
	National conference on water quality issues organized by Ministry of Water Resources in collaboration with Public Health Engineering Department, Govt. of West Bengal held at Kolkata during 14-15 th October 2004	Microbiological contamination of water - its significance and health hazards
	Lancet-NICED-IPHA (WB) workshop on Medical paper writing for publication held in NICED on 21 st February 2005	
Mr. A. Palit	Participated in project evaluation and data analysis meeting (2 nd phase) for addressing the recommendations of the ICMR Taskforce meeting and also objectives of the project with scientists of collaborating institutes (NICED/RMRI/RRSSC (ISRO)/Director, NNRMS-RRSSC, ISRO Hqr., Bangalore) at RMRI, Patna, 19-20 February 2004.	

Participants	Conference/seminar/meeting	Title of the papers/talks
	Participated in project evaluation and data analysis meeting (2 nd phase) for addressing the recommendations of the ICMR Taskforce meeting and also objectives of the project with scientists of collaborating institutes (NICED/RMRI/RRSSC (ISRO) at RRSSC, Kharagpur, 6-8 th May 2004.	
	Participated in project evaluation and “in-house” data analysis meeting (2 nd phase) for addressing the recommendations of the ICMR Taskforce meeting with scientists of collaborating institutes (NICED/RMRI) at RMRI, Patna, 27 th May-1 st June 2004.	
	Invited and attended a meeting “Utility and applicability of RS and GIS in projects of public interest” at NBSS&LUP, Salt Lake, Kolkata on 19 th June 2004.	
	Participated in a meeting at RRSSC (ISRO), Kharagpur on 28 th June, 2004 for project work planning for “Identifying environmental risk factors for endemic diarrhoeal diseases in West Bengal, India : a remote sensing - geographic information system(GIS) approach” (ICMR-ISRO collaboration).	
	Participated in a meeting at CMOH office, Burdwan with CMO and Dy.CMO for the proposed project on “Identifying environmental risk factors for endemic diarrhoeal diseases in West Bengal, India : a remote sensing - geographic information system(GIS) approach” on 30 th June,2004.	

Participants	Conference/seminar/meeting	Title of the papers/talks
	Participated in a meeting at RRSSC (ISRO), Kharagpur from 23-24 th September, 2004 for initiating collaborative project work on “Identifying environmental risk factors for endemic diarrhoeal diseases in West Bengal, India: a remote sensing - geographic information system (GIS) approach” (ICMR-ISRO collaboration).	
	Meeting with City Census Officer (KMC) and Dy. Mpl. Commissioner (KMC) on 10 th and 14 th February, 2005 for baseline data compilation for the NICED-RRSSCC (ISRO) collaborative project.	
	Attended as an “observer” LANCET-NICED-IPHA one day workshop on “Medical paper writing” at NICED, Kolkata on 21 st February, 2005.	
Dr. M.K. Bhattacharya	Inter-state collaboration organized by the Ministry of Health and Family welfare, Government of India at Swyastha Vaban, Kolkata in vector control, malaria and, tuberculosis during 21-22 nd August 2004	
	Workshop on CMC for Post Graduate Medical Education organized by Ministry of Health, Govt. of West Bengal during 17-19 th March 2005.	
Dr. B.L. Sarkar	Orientation Programme at Academic Staff College, University of Burdwan on 18 th September 2004	Water and Waterborne diseases

Participants	Conference/seminar/meeting	Title of the papers/talks
	Lectures session of University of Kalyani on 6 th November 2004	i) Epidemiology and micro biology of Cholera; ii) Epidemiology and micro biology of Typhoid fever
	Cyber research and training institute, Burdwan on 8 th January 2005.	Water-borne diseases with special reference to cholera
Dr. D.R. Saha	Training course in “Tecnai Basic and Tecani Cryo course for Tecnai 12 Transmission Electron Microscope” at Eindohoven, The Netherlands during 11-17 th June 2004	
	Workshop on Scanning Electron Microscopy and its application in Biological Sciences at Jadavpur University, Kolkata organised by the Eelectron microscope society of India (Zonal Chapter Kolkata) on 22 nd February 2005	
Dr. B. Manna	Investigators’ meeting regarding WHO Biennium funded study on estimation of disease burden held at the ICMR Hqr. New Delhi on 12 th May 2004	
	WHO-Biennium funded Disease Burden Study meeting held at NICED, Kolkata on 29 th July 2004	
Dr. N.S. Chatterjee	National Symposium on “Advances in Biochemistry: A Portal for Multi-tasking opportunities”, Department of Biochemistry, Calcutta University, Kolkata on 17 th November 2004	

Participants	Conference/seminar/meeting	Title of the papers/talks
	73 rd meeting of the Society of Biological Chemists, India, at Panthnagar, India during 21-24 th November 2004	Posters presented on differential expression of <i>Vibrio</i> chitinases
Dr. A. Pal	92nd Indian Science Congress held at Ahmedabad during 3-7 th January 2005	
	Training course on Fluorescence Activated Cell Sorter (FACS) held at San Jose, California, USA during 9-13 th August 2004	
Dr. A. Deb	Investigators' meeting regarding WHO Biennium funded study on estimation of disease burden held at the ICMR HQ New Delhi on 12 th May 2004	
	Investigators' and policy makers' meetings for the proposed Hib Probe Study at the ICMR Hqr, New Delhi during 15-17 th June 2004.	
	Report on the diarrhoeal diseases for the WHO-Biennium funded Disease Burden Study in a meeting held at NICED, Kolkata on 29 th July 2004.	
	Laboratory training programme for diagnosis of <i>Hemophilus influenzae</i> type b at the Christian Medical College, Vellore during 1-4 th November 2004.	
	Investigators' meeting to standardize study tools for the proposed Hib vaccine probe study held at NICED, Kolkata during 12-14 th January 2005	

Participants	Conference/seminar/meeting	Title of the papers/talks
Dr. A. Mukherjee	Indo-Australian satellite symposium on Modern biological approaches for diseases caused by mycobacteria and helicobacter.at CDFD, Hyderabad on 5 th March 2005	
Dr. H. Koley	Medical paper writing for publication organized by Lancet, IPHA and NICED held at NICED, Kolkata on 21 st February 2005	
	MCI held at Institute of Health & Family Welfare, Govt. of West Bengal, Kolkata during 17-19 th March 2005	
Mr. K. Rajendran	WHO In-country fellowship 2004-05 on Health Service Research for Management Development organized by All India Institute of Hygiene & Public Health during 16 November to 23 rd December 2004.	Introduction to Epi-Info 2002 software and Bio-statistics.
Mr. K. Mitra	13 th European Microscopy Congress held at the University of Antwerp, Belgium during 22-27 th August 2004.	Vibriophage S5 by Electron Microscopy.
Ms. M. Dutta	27 th Annual Conference of the Electron Microscope Society of India held at the National Physical Laboratory, Council of Scientific & Industrial Research, New Delhi during 1-4 th April 2004	Electron microscopic study of cholera phage S20.
Mr. Rudra Bhowmick	73 rd meeting of the Society of Biological Chemists, India, at Panthnagar, India, during 21-24 th November 2004	Posters presented differential expression of <i>Vibrio</i> chitinases.

Participants	Conference/seminar/meeting	Title of the papers/talks
	National Workshop on “Knowledge Discovery n Life Sciences-Bioinformatic Approaches” sponsored by Department of Biotechnology, Govt. of India, held at Indian Institute of Chemical Biology, Kolkata during 16-18 th March 2005	
Mr. Abhisek Ghosal	National Workshop on “Knowledge Discovery n Life Sciences-Bioinformatic Approaches” sponsored by Department of Biotechnology, Govt. of India, held at Indian Institute of Chemical Biology, Kolkata during 16-18 th March 2005.	
Mr. S. Ghosh.	6 th Annual Conference of Association of Public Health Veterinarians and National Symposium held at RKM, Nimpith during 26-28 th November 2004	Poster presentation on studies on molecular epidemiology of bovine rotaviruses in Eastern India.
Ms. S. Samajdar	Indo-Australian conference on Biotechnology in Infectious Disease at Manipal, India during 1-3 rd March 2005.	Poster presentation on emergence of human Group A rotaviruses G12 strains as an important pathogen in Kolkata, India.
Mr. S. Ghosh	Indo-Australian conference on Biotechnology in Infectious Disease at Manipal, India during 1-3 rd March 2005.	Poster presentation on evidence for different NSP4-VP6 linkages in porcine Group A rotaviruses.
Mr. P. Barman	Indo-Australian conference on Biotechnology in Infectious Disease at Manipal, India during 1-3 March 2005	Poster presentation on group B rotavirus infection among children in Kolkata, India.
Ms. S. Chaudhuri	6 th Sir Dorabji Tata Symposium on viral hepatitis, Indian Institute of Science, Bangalore, India during 10-11 th March 2005	Poster presentation on molecular epidemiology of HCV among acute and chronic liver disease patients in Kolkata, India.

Participants	Conference/seminar/meeting	Title of the papers/talks
Mr. Subhrajit Saha	Annual Conference of Physiological Society of India held at N.L. Khan College, Midnapore during 16-19 th December 2004 enterotoxin (Y-STa) in rat	Involvement of phospholipase C in the mechanism of action of <i>Yersinia enterocolitica</i> heat stable intestinal epithelial cells.
Ms. Dyuti Datta Gupta	Annual Conference of Physiological Society of India, held at N.L. Khan College, Midnapore during 16-19 th December 2004	Involvement of Protein Kinase C in the mechanism of action of <i>Escherichia coli</i> heat-stable enterotoxin (STa) in a human colonic carcinoma cell line, COLO-205.

Staff in the Technology Day Celebration.
